LEADERSHIP EXPERIENCE

Senior Director of Project Management

MOOD & Layla Martin

Brings projects from idea to execution across marketing, creative, product, content, operations, customer experience, and executive leadership.

WHAT GINA CAN OWN

Projects & programs	Project plans, timelines, dependencies, and team coordination. Anticipates roadblocks and keeps work moving.
Operations & executive support	Process improvements, operational systems, and close collaboration with founders and executive teams.
Launches & experiences	Major product and program launches, marketing initiatives, affiliate partnerships, and international retreats.

Working style Structure, adaptability, clear communication, and care for people. Great operations should make work clearer and more effective.
